LETTER FROM THE PRESIDENT

Greetings to All!

On behalf of the Master National Board of Directors and the Umpqua Valley Retriever Club, your host club for the 2026 event, we sincerely welcome you to the Douglas and Lane County regions of Oregon. We would like to congratulate all who have qualified your dogs for this year's event and wish you all the very best.

The local host club, UVRC, has worked feverishly in preparing for this event. It takes a lot of work, late hours, planning and locating necessary resources to put this event on. Host Chair Karen Goirigolzarri and her committee have worked tirelessly in meeting expectations. Please thank them when you see them!

This year, some of the properties will be familiar to those that were here in 2018 and 2022. There have been newer properties added to the portfolio that will provide each handler team more opportunities to shine and demonstrate the skills that brought them to the Master National. We would like to thank the Strader Family, the Kahn Family, the Kongsore family, the Morley Family, the Klinkers Family, the Patopea Family, the Naisbit-Sargenti partnership, and the Douglas County Government for sharing their property with us. The generosity of these property owners to donate the use of their coveted land for our event is remarkable and demands the 'shout out'. Please be respectful as their guests when you visit their property and provide a few kind words of appreciation when possible.

The ten judges for this year's event represent each region of club membership. Their diversity, combined experience, commitment and dedication to this event is what makes it anything but routine. The Master National is special. It's the judges who lend it character to make it so. Thank you to all who have agreed to judge the 2026 event. There may be long days, but we are hopeful each judge will be rewarded with the quality of dog work presented in response to the challenging test designs the team collectively put together.

I would be remiss if I did not acknowledge and thank the handlers and owners who entered their dog into this event, knowing the challenges facing the canine team once they step to the line. The Master National is like no other and holds a special value to those who participate in it. The commitment, dedication, and skill set it takes to compete at the Master National is not for the faint of heart. I applaud all of you! Remember to care for your dogs, give them the love and respect they deserve. What a great team and hunting companion you have developed! Enjoy and revel in this opportunity! You've both earned it.

Lastly, I wish to thank and recognize the efforts of the MNRC Board of Directors throughout my tenure as President. It has been a team effort to move this organization forward. I am honored to have served with all of them, just as much as I have been honored to serve the membership for the past 5 years while on this Board. Enjoy the event! See you at the line.

Annette T. Pacheco
2026 Master National President

Thank You, Volunteers

You show us where to park. You line us up. You pronounce our challenging names. You throw our birds. You shoot our flyers. You dry our birds. You move our equipment. You bring us lunch. You keep us safe.

Then we go to bed... and you do it all again the next day.

A Word About Our Veterinarians That Are Participating In This Event

The MNRC is fortunate to have several veterinarians that are participating as handlers in this event. They have agreed to be split among the various flights to serve on our safety committees. Please remember that these people are volunteers, like all of us, and are helping because of their love of our sport and their deep commitment for the welfare of our dogs. They are available for “first responder” type needs in the case of injury and consultation for possible medical situations. Please note that they are seldom licensed to practice in the states we hold the event and cannot accept payment for services.

Please be respectful of their contributions and mindful that are other ways to show your gratitude.

SEA TAC'S ODIN, MH

GREGG MOURGES (handler)

HONORARY MN QUALIFIER 1996
RETIRED #115

At the 1996 MN, in St. Louis, MO, Sea Tac's Odin unfortunately and sadly lost his life while being handled by his owner, Gregg Mourges.
In honor of Odin and Gregg, the Master National decided to permanently retire #115 as they also expressed their deepest sympathy for Gregg's loss.

We would like to express our deepest gratitude to everyone who sent their kind thoughts and words on the loss of our dog, "Odin": also to thank all of those who have shown such genuine concern and support at the the Master National and at home. This says a great deal for this sport and for those who participate in it. All of this kindness has helped us through such a sad time in our lives.
