

2022 AKC Master National Qualified Dogs

321 as of March 20, 2022

(See below if your dog is not listed.)

Note: While all MNH dogs are automatically qualified for the Master National event, MNH dogs will be added to this list when they pass a test during the qualifying year after earning the MNH title and we can see that the dog is still active.

Note: While MNH dogs are fully qualified for the 2022 event they do not appear on the qualifier list until after they pass their first test during the qualifying period. If your dog has not passed one of these tests and you would like us to list it, please contact Event Secretary Frank Barton at fbarton@bartonpowersports.com

WHY IS MY DOG'S NAME MISSING FROM THE LIST OF QUALIFIED DOGS? If you're dog isn't on the list of qualifiers, don't panic. Your dog's name may be missing due to one of the following reasons:

1. An MNRC club has not sent in the results of their test or it has not been received or processed yet by the AKC.
2. The results were accidentally omitted from the catalog.
3. Good old human error

The MNRC is now the sole official source of tracking qualifiers, We will make our best efforts to list qualifiers in a timely manner, but sometimes delays occur. If you believe that an omission has occurred please contact the MNRC event Secretary Frank Barton at fbarton@bartonpowersports.com Send the following information. Dog's name and the tests where the passes occurred. Frank will respond to your inquiry. **Do Not Contact the AKC.**
