WHY IS MY DOG'S NAME MISSING FROM THE LIST OF QUALIFIED DOGS?

If your dog isn't on the list of qualifiers, don't panic. Your dog's name may be missing due to one of the following reasons:

1. A test-giving club has not sent in the results of their test or it has not been received or processed yet by the AKC.
2. The results were accidentally omitted from the catalog.
3. Good old human error

The MNRC is now the sole official source of tracking qualifiers, We will make our best efforts to list qualifiers in a timely manner, but sometimes delays occur.

If you believe that an omission has occurred please contact the MNRC event Secretary Frank Barton at fbarton@bartonpowersports.com

Send the following information. Dog's name and the tests where the passes occurred. Frank will respond to your inquiry. **Do Not Contact the AKC.**
