# Welcome to Master National 2023!

On behalf of the Tallahassee Hunting Retriever Club and Wiregrass Hunting Retriever Club of Georgia I would like to Welcome you to the 2023 Master National and congratulate you and your dog on a successful year. The Thomasville community is very excited to host this event. As the Local Chairperson, it has been my pleasure to plan and prepare for the largest AKC performance event ever. Members of both clubs have worked hard to make this happen. You will be training and running on some very fine grounds. It is my hope that you will have a great time and enjoy all that Thomasville and the surrounding areas have to offer. I would encourage you to visit our historic downtown and our two national historical sites, Pebble Hill Plantation and the Lapham Patterson House. We have some awesome local restaurants that I know you will love. Please enjoy our local hospitality and have fun with your dog. Good luck and bring home the plate!!!

## About Our Host Clubs

The Tallahassee Hunting Retriever Club was the Host Club of the 2003 Master National. They held their first AKC hunt test in 1988 on Wildridge Plantation and have hosted at least 2 AKC hunt tests per year on Borderline Plantation ever since. They have approximately 80 active members.

The Wiregrass Hunting Retriever Club was founded in 2006. Their events are held at Dogleg Farm and surrounding properties in Meigs, GA. WHRCG holds one AKC hunt test event each year in the Spring. They typically offer a double Master and one Junior and one Senior test per year.

I would like to personally thank **Thomasville Humane** for working so hard to make the 2023 Master National Training and Travel Guide awesome. This publication would not be possible without the tireless attention to detail and dedication of **Sydney Pfaff** and **Chandler Giddes**. They have produced something very special. We express our sincerest gratitude for partnering with us for this very special occasion. I owe you big time.

I would also like to extend a special Thank You to:

**Melissa Shanks** - My right-hand girl and spread sheet queen.

**Whitney White** - Executive Director of Pebble Hill

**Tracy Davis** - For having my back multiple times during the planning of this event.

**Joan Braswell** - Chief sign maker and cheerleader.

**Valerie Marks** - My personal spiritual coach and motivator.

**Judy Rasmuson** - Your generosity just blows my mind. Thank you.

**Andy Attar** - For all your work and support to make this a success.

**Mike Lardy** - My strategy specialist and friend.

**Our Local Committee Members** - Melissa Shanks, Sam and Jeanie Ferguson, Fred and Gloria Nusbickel, Tracy Davis, Frankie Prendergast, Rob Rosenbury, Steve Davis, Lee Hanes, Jack Combs, and Mia D Benedetto.

Along with many, many others who have worked so hard to make this year a tremendous success.

Sincerely,  
Beckey Malphus, DVM

# Training/Test Site Rules & Regulations

The following "Guidelines" list important considerations for the use of the pre-Master National Training Grounds and the Master National Hunt Test Grounds. All these grounds were made available for this event by their property owners for the betterment of the community and their love of dogs. These rules and regulations are certainly not all inclusive of every possible situation that may arise. Please use common sense and above all professional courtesy while on the properties and when meeting others on the properties. We are GUESTS and we must utilize the properties with the least amount of intrusiveness as possible. The Training properties will be open from 8am-5pm on October 19th - October 25th. All properties will be available via the land draw. Drawing instructions are listed on the next page.

1. SMOKING OUTSIDE OF YOUR VEHICLE IS STRICTLY PROHIBITED on the Test Grounds and all Training Property Grounds. NO EXCEPTIONS!
2. No one may contact owners for individual or group use or access these properties except through the Hunt Test Committee.
3. The regulations listed for each property in the training catalog are in addition to these general guidelines.
4. Keep vehicles on the edges of fields and away from pond banks. Access fields only with UTV's or 4-wheelers if available.
5. Be wary of livestock and neighbors.
6. Never shoot in the direction of any visible residence.
7. Remove all your trash, including spent shells, dead birds and any other trash you find. Do not leave food scraps or spilled dog food on the grounds. Some properties specifically prohibit feeding on the grounds due to moving wildlife.
8. Stay well away from kennels and residences unless otherwise directed by property owners.
9. Dead birds must be disposed of at the Bird Disposal site.
10. Fire ants are endemic in the South. Their bites are a painful nuisance at best and can be serious for folks with allergies. Be wary of where you walk and place birds. Birds left on the ground for even a short time can draw those hungry critters. Use plastic bags or buckets and make sure hanging birds are far enough off the ground.
11. Unless instructed otherwise, please close and always secure all gates.
12. By entering any of these properties you acknowledge the risks inherent in outdoor sports whether such risks are apparent or hidden. All participants accept those risks and agree that they alone are responsible for the health and safety for themselves and others in their group. Participants, by their use of the property, acknowledge that they hold the property owners, MNRC, THRC, WGHF of Georgia, its officers and members harmless and free of any liability for any accidents, injuries or damage to their persons or vehicles. Entering any of the properties is further subject to the participants' agreement to be held fully responsible for any damage, accidental or otherwise, to the property and any animals, facilities, buildings or equipment located on the property.
13. PLEASE PICK UP AFTER YOUR DOGS!! Especially on groomed grounds! USE Porta Potty on property if available for yourself!
14. If you are on any test or training property with residences do not air or feed dogs after the test or day ends. The grounds will be off limits once the workers depart.
15. Airing grounds open for use are Deep South Fair Grounds and pasture on Patterson Still Road.
16. DO NOT ALLOW YOUR DOGS TO SWIM IN PONDS OR LAKES HERE THAT ARE NOT APPROVED. MANY BODIES OF WATER HAVE ALLIGATORS!!!!
